

INTRODUCTION AND SCOPE OF GUIDELINES

These guidelines reflect current national recommendations and evidence review. They do not represent the only way to practice obstetric anaesthesia. In any case where you feel unsure how to proceed, advice must be sought from senior staff.

Consultant Obstetric Anaesthetists

Dr Suresh Anandakrishnan

Dr Lindsay Arrandale

Dr Serena Bourke

Dr Kate Cheesman

Dr Ben Fitzwilliams

Dr Anna Fourie

Dr Sian Griffiths

Dr Jeyanjali Jeyarajah

Dr Sonja Meier

Dr Nat Nguyen-Lu

Dr Desire Onwochei

Dr Jackie Porter

Dr Marwa Salman

Dr Jason Scott (Lead for Obstetric Anaesthesia)

The consultants can be contacted out of hours even when not on call to give advice and support when necessary. Contact details are available via switchboard and displayed in the anaesthetic rooms.
